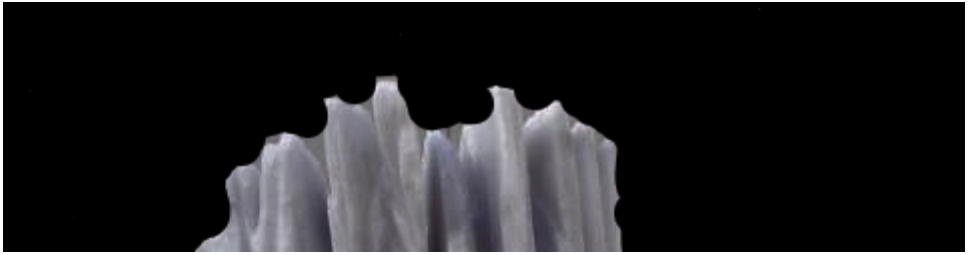
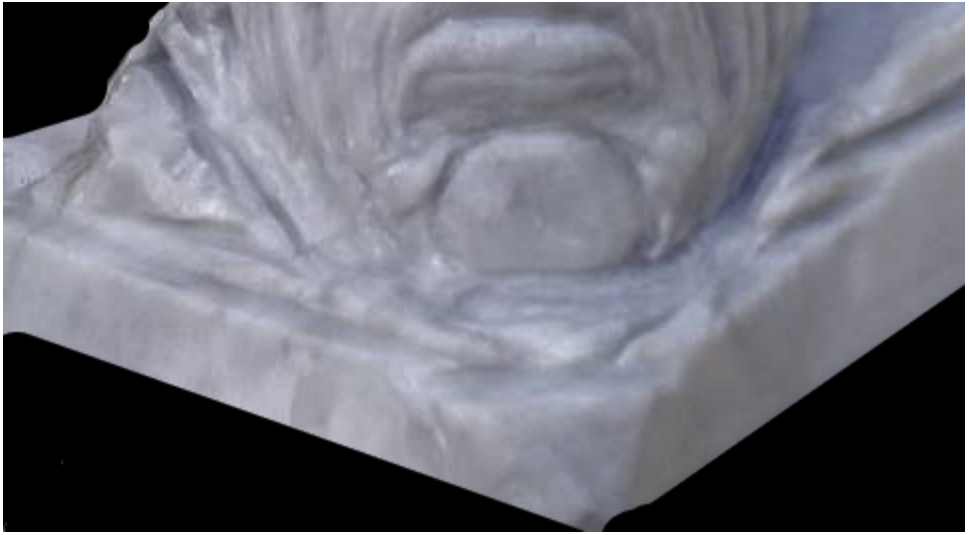
Sculpture N Art (Sculpture-N-Art/)

Italian marble, made in italy.





This head with mohawk was made in two days with diamond bits.

The Sculpture was stolen in Italy before it could detailed and finished.

After being from an Italian family and Neighborhood and having the

Italian government committ crimes on me I truly hate Italians now.

I never liked the Italians, but now i utterly hate the bastards

after decades of crimes done to me by them.

Very bad people and a ton of sexual issues from the men with boys.

Very bad country, very bad people.

pacer.gov mr Pate is locked out of his pacer account and can not access the court docs.

Pate vs the village of tequesta 3:21-cv-07718-agt for false arrest by police who are asssociates of members of the colombo crime family, officers broke protocol and would not remove asailant from property then **arrested mr pate** after they returned **on his own property !** , He was telling the police to remove the assailant for over 3 hours , then they arrested him for their associate in the colombo crime family and mar a lago member Ropbert A Pate who he and his brother are in the witness protection program offered by the FBI. The sam egroup of FBI agents that keeps letting sammy the bull Gravano out of prison over and over again. The Case was dismissed from me being held hostage in Brussels by the department of state during a refusal to give me a travel pass back to the USA or a passport after I was a victim of a jihadist attack in paris france while searching for a lawyer for the trials. Mr Pate had contacted over 800 lawyers through telephone and emails and had left hundreds of messages and never a reply which is very obvious tampering with work email accounts again.

list of SOME of the reports to the feds and local police in regards to non stp stalking and harrasement by members of mar a lago, the colombo crime family and the witness protection program agents, mostly of whom are american cavepeeople [zionists]
reported to FBI week of october 7th 2014 repeated calls to FBI over the course of 10 days never a response. from cellphone while living in the valley, Los Angeles California

2012
Reported to FBI during initial hawk biometric stock fraud case in 2012 repeatedly ongoing ocult crimes and gang/mafia/occult stalking.
L.A.PD , Van NUYs PD as well in california.

2011
repeated visits from local police from false complaints and false complaints.on one ocasion a Female and male officer arrived, female officer asked if i had problems with people that want to set him up.

2014 santa monica courthouse requested restraining order for robert pate of the colombo crime familys witness protection program(active drugdealer for the deep state in south florida) tried to recruit me into his crime ring repeatedly and used occult tactics on me to force me into poverty. (never investigated) . the restraining order was

not granted due to not having the thousands of obsessed harrasing emails after they were deleted from my email account i held at the time.
(forced to change abut 20 emails before he stopped harrasing me openly. And another 20 emails closed down by google , yahoo, and microsoft , illegally and with amlice from the americans.

2010 drugged in roberts pate member of teh colombo families occult associates resturant Bagatelle/STK in los angeles and was roofied at the empty bar where afterward i was sexually assaulted by a transexual. police were called next morning by myself. L.A. never investigated by LAPD

2008 Palm Beach County Florida
Mr pate was falsely arrested by tequesta police on evening. A member of the colombo crime family refused to leave his property for over 3 hours. An ambulance was called the ambulance saying their was an issue and needed to go to tthe hospital for help. Mr Pate explained to the EMS he was fine and needed the member ofthe Colombo crime family off his property. The member of the colombo crime family tried convincing EMS to put me in his car with their help so he could take me to some unknown destination. ems told Colombo family member " no" .[This is all on record] Officer lally of the Tequesta Police arrived later he would not remove robert pate of the colombo crime family from my property either, then he drove off breaking protocol and leaving assailant on Mr Pates property in tequesta. Then assailent grabbed me and started pushing me and yelling for help to officer lally as he was driving off.

Why the police in Tequesta Florida left the member of the colombo crime family with mafia related arrests on my property after a domestic call and told him to vacate the premise in front of the Police was completely illegal and against protocol.
The Police would not remove the member of the colombo crime family and member of another group with political corruption ties from their membership at Mar a Lago on Palm Beach Island. Mr Pate was then arrested on his property illegally by the Tequesta Florida Police Department and associates of the Colombo Family. This lawsuit for conspiracy with the mafia and occult against the Village of Tequesta Florida and teh Tequesta Police is one of the cases that was shut down while the feds were holding Mr.Pate hostage in europe after a jihadist attack against him while he was in paris france in search of an attorney. The jihad attack which occurred on feb 22 2022 was ignored by american authorities and leads to a group of racist and bigit female government agents and employees that held Mr. Pate hostage in Bruxells for over 4 months then refused to investigate .
PBCSOFFICE from the years 2011 until the year 2022 i had called the PBSO 311 line over a dozen times reporting these crimes and others . The same woman answered 311 every time and took the report about the colombo family members in palm beach county committing crimes on me for the occult. this dumb bitch it seems intentionally gave me the wrong information and time after time did not tell me that tis was not even thier juridiction. it took almost a dozen calls to the PBSO for a competent female officer to take the phone from her and tell me that i had to report it to the WPBPD in florida. The woman who kept covering these crimes up and not reporting what iwas telling her needs to be questioned about her involvement with

the caste system and the occult and why time after time she did not give me correct information. there is provable corruption with the judge and attorney hired in the case as well after the arrest. These problems emminate from members of the Colombo crime family stealing and embezzling from John Pate and coverup after coverup by the Federal government they sell drugs with in the Witness protection program and covered as well by their vast political connections through their private club membership at Mar a Lago for the past 35 Years and a history of interaction before Donald Trump owned Johh Posts old caskett house named "Mar a Lago".

IC3.GOV years 2010 till present over 15 complaints filed.
Mr pate has taken as many precautions as possible haveing reported online fraud and email intrusions dozens of times to ic3.gov and local law enforcement agencies , all which have gone unanswered and unresponsive from the corrupt US government employees. Mr. Pate began reporting these constant online fraud and hacking in 2015 and the reports have never been answered, He believe it is due to the fact that these lowlives are in the caste system and they sell drugs with the drug dealing deep state in Floridas south. Many of his inventions were posted on his website and he is fairly certain the federal agents with the US witness protection program are guilty again of conspiracy against another American Citizen.

2014
tried reporting these crimes to the federal building on wilshire blvd in LA , upon arrival before i could enter the building two large african american guards in black uniforms

approached me and would not let me into the FBI building on wilshire.

2010 Victim of embezzlement from John Papa Theresa Papa and other members of the Colombo Crime Family. These went uninvestigated by federal agents.

2018 Mr Pate arrived at the state attorneys office in Florida to report these crimes and was dismissed and pushed out of the reception area by another female state employee and committed more crimes upon me covering up these crimes after a flight was booked and other communications made which informed these federal agents of my plans. The woman behind the counter whom mr Pate never met eyed him from across the room came around the counter and told mr pate he could not report any of the crimes to the state attorneys office. It was very illegal what this woman biggot did and very obvious tehy were informed i was arriving to report these previous crimes .

1999 This is one of the first crimes mr Pates family comitted on him after his 18th birthday when he was an adult. Some kids get a camera , some get a lamborghini , this is what his family gave him for his 18 th birthday , inheritance fraud. Many of the crimes committed on the owner of elelctrolips llc were committed on him before he was an adult growing up in a organized crime family from south american and eastern european roots and pretending their italians so the european people would not identify them as genocidal or out of place being disgusting cavepeople in everyones lives. Most of these are organized crime and fall under RICO laws and punishment from the occult tactics these people used on him since he was a child.

The members of the colombo family received the money,the profit was taken and initial money was returned.

From 2001 till 2010 occult tactics were used on Mr. Pate to force him into poverty for a multitude of reasons including coverup of inheritance fraud , comingling accounts and monies , financial fraud , slander and other occult based crimes. It is common fo rmembers of teh Occult or other illegal organizations to upset people financially to inlist them in illegal activities more easily.
